The Colonnade Hotel received the highest rating - 5 PAWS - by "Pets Welcome" written by Kathleen and Robert Fish.

PET GUIDELINES:

Your pet and the hotel would prefer that you accompany them at all times while in the hotel. If you must leave your pet alone for a brief period, please be so kind as to inform our front desk and leave a phone number where you can be reached. Some of our furry friends can be more talkative than others. These four-legged guests are required to have constant supervision by their owner.
